## 3 Interest Rates

The Interest Rate Tables are located on the Servicewide Electronic Research Program (SERP) web site at [http://serp.enterprise.irs.gov/databases/irm-sup.dr/interest\\_rates.htm](http://serp.enterprise.irs.gov/databases/irm-sup.dr/interest_rates.htm). This web site contains all of the applicable interest rates to calculate interest on tax balances.

## 4 Penalty Provisions

In general, for every filing, paying, and reporting requirement imposed by the Internal Revenue Code, there is a penalty provision for failing to comply with the requirement. This section does not contain information on all penalty provisions. For additional penalty provisions see IRM 20.1, *Penalty Handbook*.

Type of Penalty	Penalty Rate and Information
Failure to File IRC § 6651(a)(1)	The penalty is 5% of the tax unpaid on the return due date (without regard to extensions) for each month or part of a month that the return is late, not to exceed 25%. When an income tax return is 60 days or more late, the minimum penalty is \$135 (\$100 for returns due before 1/1/2009), or 100% of the unpaid tax, whichever is less.

Type of Penalty	Penalty Rate and Information
Failure to Pay Tax Shown on the Return IRC § 6651(a)(2)	<p>The penalty is 1/2% of the tax shown on the return that is not paid by the return due date without regard to extensions. The penalty is charged on the unpaid tax for each month or part of a month that the tax remains unpaid, but it cannot exceed 25% in the aggregate.</p> <p>When both of the above penalties apply for the same month, the Failure to File penalty is reduced by the amount of the Failure to Pay penalty for that month, unless the minimum Failure to File penalty applies.</p>
Failure to Pay Tax Upon Notice and Demand for Payment IRC § 6651(a)(3)	<p>The penalty is 1/2% of the tax in the notice and demand for payment that remains unpaid 21 calendar days (10 business days, if the total due in the notice was \$100,000 or more) after the date of the notice. The penalty is charged on the unpaid tax for each month or part of a month that the tax remains unpaid, but it cannot exceed 25% in the aggregate.</p> <p>Both <i>Failure to Pay</i> penalty rates are increased to 1% per month on any tax that remains unpaid 10 days after IRS has issued a Notice of Intent to Levy Certain Assets. Issuance of such a notice is identified by notice status 58, TC 971 with action code 035 or 069, or by an assessment with doc code 51 and blocking series 14X.</p> <p>The penalty rate for Failure to Pay Tax Upon Notice and Demand for Immediate Payment is 1% as of the date of the notice for any jeopardy assessment. Jeopardy assessments are identified by doc code 51 with blocking series 100 - 119.</p> <p>For individual taxpayers who filed on time, any Failure to Pay penalty rates are decreased to 1/4% per month during any month during which the taxpayer has an approved installment agreement with the IRS for that tax.</p>
Failure to Deposit Taxes IRC § 6656	<p>For deposits required after December 31, 1989, there is a four-tiered penalty. The penalty is 2 percent for deposits 1-5 days late, 5 percent for deposits 6-15 days late, 10 percent for all direct payments and those deposits more than 15 days late, but paid on or before the 10th day following notice and demand, and 15 percent (actually, a 5 percent addition to the 10 percent) for late undeposited taxes still unpaid after the 10th day following the first balance due notice or the day on which notice and demand for immediate payment is given.</p>
Failure to Pay Estimated Tax IRC § 6654 & IRC § 6655	<p>The penalty is determined by multiplying the daily interest rate in effect for a given day by any underpaid installment amount for that day. The total penalty is the aggregate of the penalty for all days during which an underpayment exists.</p>
Bad Checks IRC § 6657 Dishonored Paper Checks or Money Orders/Insufficient Funds on Electronic Payments	<p>The penalty is two percent (2%) of the amount of the dishonored payment instrument, or if the amount of the dishonored payment instrument is less than \$1,250, then the penalty is the <b>lesser</b> of \$25 or the amount of the payment. Effective July 2, 2010, the penalty now includes all "instruments" (forms) of payment.</p> <p>For dishonored checks or money orders received after May 25, 2007, and prior to July 2, 2010, the bad check penalty was <b>only applicable</b> to paper checks and money orders. The penalty was two percent (2%) of the amount of the dishonored payment, or if the amount of the dishonored payment was less than \$1,250, then the penalty was the <b>lesser</b> of \$25 or the amount of the payment. Penalties were not assessed on checks less than \$5.00. See IRM 20.1.10 <i>Miscellaneous Penalties</i>.</p>
Failure to File a Timely and/or Complete Form 1065 IRC § 6698	<p>For returns due before 12/21/2007, the penalty is \$50 per person (as defined in IRC 7701(a)(1)) who was a partner in the partnership at any time during the year, for each month or part of a month the return is late or incomplete, for up to 5 months.</p> <p>For returns due after 12/20/2007 but before 1/1/2009, the penalty is \$85 per person who was a partner in the partnership at any time during the year, for each month or part of a month the return is late or incomplete, for up to 12 months.</p>

Type of Penalty	Penalty Rate and Information

## 6 Return Preparer Penalties

Form 8278 is an adjustment document (ADJ54) used for assessments or abatements of return preparer penalties and other miscellaneous civil penalties that are not subject to deficiency procedures. The Penalty Reference Numbers (PRN) is keyed in with a positive dollar amount for assessments. A Transaction Code (TC) 290 posts with a TC 240 for the assessed amount. Preparer penalties are assessed on the tax period of the return in violation. Use MFT 55 for violations

by an individual tax return preparer and for violations by a firm tax return preparer use MFT 13. Tax return preparer penalty PRNs are listed below. See IRM 20.1.6 *Preparer/Promoter/Material Advisor Penalties* for additional information.

IRC section 6722(d) adds lower limitations for gross receipts of \$5 million or less. The calendar year maximum for these penalties for large businesses increases from \$100,000 to \$1.5 million. These changes apply to returns required to be filed on or after Jan. 1, 2011.

## 8 Penalty Reference Numbers – Miscellaneous Civil Penalties

Penalty Reference Numbers (PRN) are used to assess and abate miscellaneous civil penalties. Some civil penalties are assessed and abated with their respective PRN or Transaction Code (TC) (generally, not TC 240/241) using Forms 5344, 5403, 3870 or similar closing and adjustment documents.

Form 8278, *Assessment and Abatement of Miscellaneous Civil Penalties*, is used to assess or abate civil penalties on MFT 13 (BMF) and MFT 55 (IMF) accounts. See Form 8278 instructions for additional PRN information at the following IRS web site:

<http://publish.no.irs.gov/getpdf.cgi?catnum=62278>

**CAUTION:** The following PRN table reflects the most current penalties for the respective Internal Revenue Code sections. Archived PRN information, plus more information about PRNs, civil penalties, and return-related penalties are available through the following Office of Servicewide Penalties, IRS web site:

### (3) Glossary of Terms for Employment Taxes

Term	Definition or Example	
<b>Lookback Period</b> - Is a period of historical return filing(s) used to determine which deposit schedule a taxpayer must follow when making current year payroll tax deposits.	For quarterly returns: the total original employment tax liabilities from tax periods between July 1 and June 30 immediately preceding the tax year	For annual returns: the total original employment tax liability from the second previous year.
<b>Monthly or Semi-weekly Deposit Schedule</b> - The schedule an employer follows to determine the length of the deposit period over which liabilities are accumulated and when the deposit is due. Refer to IRM 20.1.4.8.2.		
<b>Deposit Period</b>	For taxpayers following a monthly deposit schedule, the deposit period covers:  a calendar month	For taxpayers following a semi-weekly deposit schedule, the deposit periods are:  Sat., Sun., Mon. & Tues. *****and*****  Wed., Thur. and Friday
<b>Accumulated Liability</b> - The sum of tax liabilities from each individual payroll(s) within a deposit period. The amount that must be deposited. (Also referred to as Deposit Liability).		
<b>Business Day</b> - Deposits are due only on business days. A business day is every calendar day that is not a Saturday, Sunday, or legal holiday under IRC section 7503. Additionally, the term "legal holiday" for FTD purposes includes only those legal holidays in the District of Columbia. The following days are currently legal holidays in the District of Columbia: New Year's Day, Birthday of Martin Luther King, Jr., Washington's Birthday, District of Columbia Emancipation Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, Christmas Day, and the day of the inauguration of the President, every fourth year.		
<b>Safe Harbor</b> - Use of the safe harbor rules has been expanded to all depositors. An employer is required to deposit 100% of the deposit liability on or before the deposit due date. Regulations provide a safe harbor, (safety net option) if the employer cannot deposit the full amount required. An employer will still be considered to have met their deposit obligation if the underpayment/shortfall (the difference between the required deposit liability amount and the actual amount of the deposit) is less than the greater of \$100 or 2% of the required deposit. The shortfall is treated as a new, unique, separate liability, arising from its own separate deposit period and carrying its own deposit due date. The shortfall due date is determined by the deposit schedule followed.		
<b>De Minimis Rule</b> - Employers handling payroll taxes are required to deposit those monies. Failure to deposit in the correct manner will subject the employer to a FTD penalty equal to 10% of the amount incorrectly submitted. However, under the de minimis exception an employer may be relieved of the burden of making deposits and may submit a check (to the IRS) for the full amount of the tax liability with their return without incurring an FTD (failure to deposit in the correct manner) penalty if the following criteria is met:		
<ul style="list-style-type: none"> <li>• Annual filers with a total return liability of less than \$2,500.</li> <li>• Form 940 filers with a total liability of \$500 or less.</li> </ul>		
Quarterly Form 941 filers with a total return liability of less than \$2,500 in the current quarter or a total return liability of less than \$2,500 in the previous quarter, with NO \$100,000 next-day deposit obligation in the current quarter. For de

**Application of Payments (FIFO)** - Credits are ordered by the date received. Multiple credits of the same transaction code received the same date are combined into one credit amount. Valid credits include TC 610, 650, 670, 700, 760, 710, 716 and 766 with CRN 296 and 299.

Liabilities are ordered by the due dates. Multiple liabilities arising from the same deposit period are combined into one liability. Multiple liabilities, from various deposit periods, with the same due date are further ordered by their incurred date.

For periods after December 31, 2001, deposits are applied to the most recently ended deposit period or periods within the specified tax period to which the deposit relates as provided for in Rev. Proc. 2001-58. The application of deposits to the most recently ended deposit period will, in some cases, prevent the cascading penalties where a depositor either fails to make deposits or makes late deposits. See the job aid on the "Most Recent Payment Allocation Method" located in SERP Job Aids Accounts Management, IRM 21.7

**(4) Penalty Computation Codes (PCC)**

The following PCCs are associated with the FTD Penalty and used to describe the reason(s) why the FTD penalty was assessed. See Section 10.9 *Penalty Reason Codes (PRC)* in this *IRS Processing Code and Information, Document 6209* for detailed information.

Transaction Code (TC)	Return with Good ROFTL Information	Return with Invalid or No ROFTL	Returns using monthly ROFTL instead of daily ROFTL
All *good TC 650	PCC 003	PCC 011/057***	PCC 054/057***
All TC 670 and/or **bad TC 650	PCC 041	PCC 043/057***	PCC 055/057***
Mix of TC 610, *good 650 and **bad 650 and 670	PCC 042	PCC 044/ 057***	PCC 056/ 057***
*good TC 650 is a deposit made before 1-1-2011 as required: by coupon through an authorized depository or in the case of a mandated taxpayer, a deposit made via EFT.  **bad TC 650 is a non-EFT deposit made by mandate (taxpayer required to deposit electronically prior to 01-01-2011).  *** If averaged monthly tax liability is over \$100,000, use PCC 057.			

A PCC generating with a TC 186 is used to explain why Master File computed a penalty on the account. A PCC also dictates which penalty explanation language is printed on balance due notices.

A PCC is also required with the input of a manual TC 180 penalty assessment to explain why the penalty was assessed. Indicating the computation method used will continue the processing audit trail and reduce the need to request previous case files when responding to incoming correspondence or calculating subsequent adjustments. See IRM 2.4, *IDRS Terminal Input*, for input instructions for the PCCs.

When using Reason Code (RC) 062, the reasonable cause indicator is not affected by the input of the above codes and still must be input whenever reasonable cause applies. It may be used alone (for abatements) or with any of the above codes when reasonable cause is being denied and a penalty is manually assessed. RC 062 is entered in the first RC position; the applicable penalty reason code must be entered in the fourth RC position.

**(5) Schedule Indicator Codes (SIC)**

A SIC 2 or 3 coded on the return during the return processing will prevent Master File from determining a penalty amount. Instead, Master File generates CP 194 Possible FTD Penalty Notice. The Campus manually reviews all CP 194 accounts.

The SIC applicable to FTD penalty processing are as follows:

<b>SIC</b>	<b>199212 &amp; prior</b>	<b>199312</b>	<b>199412 thru 200512</b>	<b>200512 &amp;</b>

## 11 Penalty Appeal Procedures

The Office of Appeals is responsible for processing appeals on previously denied penalty abatement requests. However, this procedure is not applicable to the following:

1. Trust Fund Recovery penalty
2. Fraud penalty
3. Negligence penalty
4. Jeopardy assessment
5. Field Collection personnel who deny a taxpayer's request for abatement should personally notify the taxpayer of the denial and the appeal procedure. If the taxpayer wishes to appeal, it may be done with a verbal statement, if the proposed penalty does not exceed \$2,500; with a brief written statement of disputed issues, if the proposed penalty exceeds \$2,500 but does not exceed \$10,000, or with a formal written protest, if the proposed penalty exceeds \$10,000. The statement or protest should be submitted within 15 days to the SB/SE Field Collection (FC) employee who denied the abatement request. The employee will then prepare the appeal request for transmittal to Appeals and attach the following:
  1. The taxpayer's written request for appeal and other pertinent documents,
  2. A copy of the ICS history,
  3. Penalty appeals check sheet,
  4. A copy of the disallowance letter, Letter 2413 (P), and
  5. Prepare Form 3210, *Document Transmittal*.

Forward the request to the group manager for review and concurrence. Refer to the Appeals Case Routing Guide available on the Appeals intranet site or click on this link <http://appeals.web.irs.gov/APS/caseroouting.htm>, then click on "Case Routing and Instructions" on the left hand side on the page, and finally, click on "Case Routing by State and Zip Code" for Field Collection cases going to Appeals. The employee should maintain the Bal Due in inventory and suspend collection action only on the penalty portion of the Bal Due. When the Appeals Officer has completed the review, adjustment action will be taken, if appropriate, and any pertinent paperwork copies will be submitted to the FC-employee advising of the decision.

Campus Personnel who deny the abatement of a penalty should send the taxpayer Correspondence Letter 854C, *Penalty*

10-30

*Waiver or Abatement Disallowed/ Appeals Procedure Explained* (or Correspondex Letter 852C/853C if the Reasonable Cause Assistant (RCA) is used) and provides the reason(s) for denial. They should also provide the name, address and phone number of the local Campus Penalty Appeals Coordinator. This information is available at <http://serp.enterprise.irs.gov/databases/who-where.dr/campus-penalty-appeal-coordinators.htm>
