Form 8038-CP returns filed by the issuer related to direct pay bond examination cases under Appeals jurisdiction will generally be processed for payment at the Ogden Campus. TEB will open examinations of these returns as received and offer an expedited Appeal if the same issues are present as in the key case under Appeals jurisdiction. Cases in which the Issuer elects an expedited Appeal will be forwarded to Appeals for association with the key case. (See *IRM 4.82.6.7.2(2)*)
