## FREE OR LOW-COST ASSISTANCE FOR LOW-INCOME TAXPAYERS WITH A TAX PROBLEM

If you are a low-income taxpayer who needs help in resolving a tax dispute with the Internal Revenue Service (IRS) and cannot afford representation, you may qualify for free or low-cost assistance from a Low Income Taxpayer Clinic (LITC).

### What Tax Assistance Can LITCs Provide?

- LITCs represent individuals who need help to resolve tax problems with the IRS, such as audits, appeals, and tax collection disputes. LITCs can represent taxpayers in federal courts, as well as before the IRS. In addition, LITCs can provide information about taxpayer rights and responsibilities in different languages for individuals who speak English as a second language (ESL). LITCs receive grants from the IRS but are independent organizations. Before selecting a tax professional, taxpayers should ask questions to ensure that the professional they select to help them has the expertise needed to resolve their tax problem.

### Who is Eligible to Receive Assistance?

- Generally, taxpayers whose incomes do not exceed 250% of the federal poverty guidelines may qualify for assistance. Contact the LITC nearest you to find out if you meet income and other eligibility requirements.

### Where is the Nearest LITC?

- This publication includes contact information for LITCs and is available online at: [www.irs.gov](http://www.irs.gov) or by calling the IRS at: 1-800-829-3676. For the most current information, please see the "Find your local clinic" search tool at the bottom of the LITC page at: [www.taxpayeradvocate.irs.gov/litc](http://www.taxpayeradvocate.irs.gov/litc). Please note the location listed is the main office and many clinics have additional office locations. Please call the clinic if you would like to find out about additional locations.

### What is the Taxpayer Education Program?

- The Taxpayer Education Program funds clinics to educate individuals for whom English is a second language about their taxpayer rights and responsibilities. Each clinic participating (identified below as "Taxpayer Education Clinic") is funded solely to provide ESL education but may also offer some limited tax consultation services to individual taxpayers.
