# What Can We Learn About the GIG Economy From Tax Data?

Washington, D.C.

21 September, 2018

### SOI and BLS data on self-employed

Number of persons with self-employment income (counts in thousands)

	<u>SOI (2015)</u>		<u>BLS (2017)</u>
	Number of persons with both salaries and wages and self- employment income	Number of persons with only self- employment income	Number of persons with main source of income from self- employment
26 to 35 year olds	4,238	1,705	1,593
56 to 65 year olds	5,566	2,260	2,426

#### Issues:

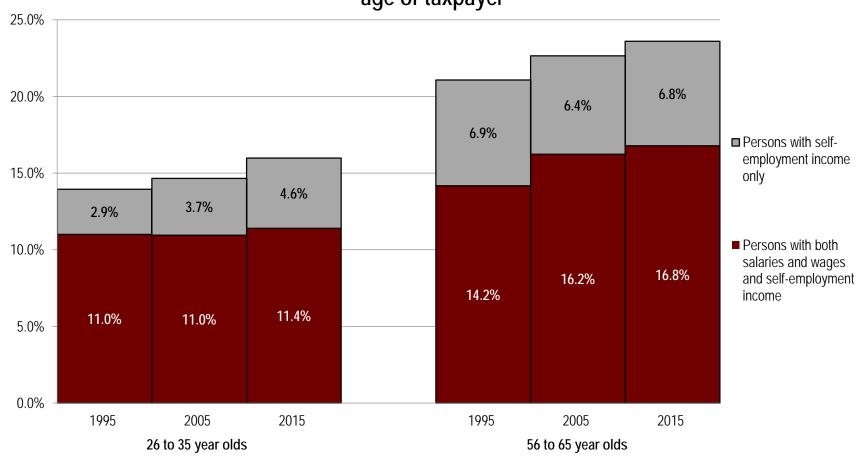

- (1) Self-employment income not reported on Schedule C, with and without information returns.
- (2) Self-employment income not reported on a filed return, with and without information returns.
- (3) Tax code sections 6050W(e), 6721, 6722.

Source: SOI tabulations of 2015 individual tax returns, BLS contingent and alternative arrangement survey (May 2017).
