Dear _____ :

This responds to a letter dated November 30, 2004, and subsequent correspondence submitted on behalf of X by X's authorized representatives, requesting that the Service grant X an extension of time under § 301.9100-3 of the Procedure and Administration Regulations to elect to be treated as an association taxable as a corporation under § 301.7701-3(c).

The information submitted states that X is a foreign corporation formed under the laws of Country. X is wholly-owned by Y, a domestic corporation. Y is an indirect wholly-owned subsidiary of Z. Z, a domestic corporation, is the common parent of an affiliated group of corporations. At the time of a corporate reorganization, X intended to

PLR-161898-04

be treated as an association taxable as a corporation. However, due to inadvertence, X failed to file a timely election, Form 8832, Entity Classification Election, effective d1.

Section 301.7701-3(a) provides that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an “eligible entity”) can elect its classification for federal tax purposes. A “business entity” is any entity recognized for federal tax purposes that is not properly classified as a trust under § 301.7701-4 or otherwise subject to special treatment under the Internal Revenue Code. Section 301.7701-2(a).

Section 301.7701-3(b)(1) provides guidance on the classification of a domestic eligible entity for federal income tax purposes. Section 301.7701-3(b)(2)(i) provides that unless a foreign eligible entity elects otherwise, the entity is: (A) a partnership if it has two or more members and at least one member does not have limited liability; (B) an association if all members have limited liability; or (C) disregarded as an entity separate from its owners if it has a single owner that does not have limited liability.

Section 301.7701-3(b)(2)(ii) provides that for purposes of § 301.7701-3(b)(2)(i), a member of a foreign eligible entity has limited liability if the member has no personal liability for the debts of or claims against the entity by reason of being a member.

Section 301.7701-3(c)(1)(i) provides that to elect to be classified other than as provided in § 301.7701-3(b), an eligible entity must file Form 8832 with the designated service center. Section 301.7701-3(c)(2)(iii) provides that an election will be effective on the date specified on the Form 8832 or on the date filed if no such date is specified. The effective date specified on the Form 8832 cannot be more than 75 days prior to the date the election is filed.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time to make a regulatory election, or a statutory election (but no more than 6 months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code except subtitles E, G, H, and I. Section 301.9100-1(b) defines the term “regulatory election” as an election whose due date is prescribed by a regulation published in the Federal Register or a revenue ruling, revenue procedure, notice, or announcement published in the Internal Revenue Bulletin.

Sections 301.9100-1 through 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make the election.

Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections.

PLR-161898-04

Section 301.9100-3 provides the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not meet the requirements of § 301.9100-2. Under § 301.9100-3, a request for relief will be granted when the taxpayer provides evidence to establish to the satisfaction of the Commissioner that (1) the taxpayer acted reasonably and in good faith, and (2) granting relief will not prejudice the interests of the government.

Based solely on the information submitted and the representations made, we conclude that the requirements of § 301.9100-3 have been satisfied. As a result, X is granted an extension of time of 60 days from the date of this letter to file a Form 8832 with the appropriate service center and elect under § 301.7701-3(c) to be treated as an association taxable as a corporation effective d1. A copy of this letter should be attached to the Form 8832. A copy is enclosed for that purpose.

Except as specifically set forth above, no opinion is expressed concerning the federal tax consequences of the facts described above under any other provision of the Code. Specifically, we express no opinion whether the reorganization qualifies under § 368(a)(1)(D) or § 354 as a reorganization, or under § 332 as a complete subsidiary liquidation.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) provides that it may not be used or cited as precedent.

Pursuant to a power of attorney on file with this office, a copy of this letter is being sent to X's authorized representatives.

Sincerely,

Heather C. Maloy
