Date 1 =

Dear :

This responds to a letter dated December 18, 2007, submitted on behalf of X by X's authorized representative, requesting that the Service grant X an extension of time under § 301.9100-3 of the Procedure and Administration Regulations to elect to be treated as a partnership under § 301.7701-3(c).

The information submitted states that X was formed under the laws of Country on Date 1. X represents that X is a foreign entity eligible to elect to be treated as a partnership. However, X inadvertently failed to timely file a Form 8832, Entity Classification Election, electing to treat X as a partnership effective Date 1.

Section 301.7701-3(b)(2) provides guidance on the classification of a foreign eligible entity for federal tax purposes. Generally, a foreign eligible entity is treated as an association taxable as a corporation if all members have limited liability, unless the entity makes an election to be treated otherwise. If the foreign eligible entity has more than one owner, it may elect to be treated as a partnership pursuant to the rules in § 301.7701-3(c).

Section 301.7701-3(c) provides that an entity classification election must be filed on

Form 8832 and can be effective up to seventy-five (75) days prior to the date the form is filed or up to twelve (12) months after the date on which the form is filed.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time to make a regulatory election, or a statutory election (but no more than 6 months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code except subtitles E, G, H, and I. Section 301.9100-1(b) defines the term "regulatory election" as an election whose due date is prescribed by a regulation published in the Federal Register or a revenue ruling, revenue procedure, notice, or announcement published in the Internal Revenue Bulletin.

Sections 301.9100-1 through 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make the election. Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections. Section 301.9100-3 provides the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not meet the requirements of § 301.9100-2. Under § 301.9100-3, a request for relief will be granted when the taxpayer provides evidence to establish to the satisfaction of the Commissioner that (1) the taxpayer acted reasonably and in good faith, and (2) granting relief will not prejudice the interests of the government.

Based solely on the information submitted and the representations made, we conclude that the requirements of § 301.9100-3 have been satisfied. As a result, X is granted an extension of time of 60 days from the date of this letter to file a Form 8832 with the appropriate service center and elect to be treated as a partnership effective Date 1. A copy of this letter should be attached to the Form 8832. A copy is enclosed for that purpose.

Except as specifically set forth above, no opinion is expressed concerning the federal tax consequences of the facts described above under any other provision of the Code.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) provides that it may not be used or cited as precedent.

Pursuant to a power of attorney on file with this office, a copy of this letter is being sent to X's authorized representative.

Sincerely,

William P. O'Shea
Associate Chief Counsel
(Passthroughs & Special Industries)
