Subject: RE: International Issue

O.k., we think we have the answer. As an employee of an International Org, she's exempt from IT under 3401(a)(5), exempt from FICA under 3121(b)(15), and exempt from FUTA under 3306(c)(16). I am a bit swamped with a brief but , who deals with ET/Int'l issues came up with these cites in about 30 seconds.

If any of this doesn't sound right to either of you, please let me know.

Thanks,
