Dear :

This letter responds to a letter dated January 29, 2009, and subsequent correspondence, submitted on behalf of X by X's authorized representative, requesting an extension of time under § 301.9100-3 of the Procedure and Administration Regulations to file an election under § 301.7701-3(c) to be classified as a disregarded entity for federal tax purposes.

FACTS

X was formed under Country law on Date1. X represents that it is a foreign entity eligible to elect to be classified as a disregarded entity for federal tax purposes. X intended that it be classified as a disregarded entity effective Date2. However, due to inadvertence, a valid Form 8832, Entity Classification Election, to treat X as a disregarded entity effective Date2 was not timely filed.

LAW AND ANALYSIS

Section 301.7701-3(a) provides that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an eligible entity) can elect its classification for federal tax purposes as provided in § 301.7701-3. An eligible entity with a single owner can elect to be classified as an association or to be disregarded as an entity separate from its owner.

Section 301.7701-3(b)(2)(i) provides that, unless the entity elects otherwise, a foreign eligible entity is (A) a partnership if it has two or more members and at least one member does not have limited liability; (B) an association if all members have limited liability; or (C) disregarded as an entity separate from its owner if it has a single owner that does not have limited liability.

Section 301.7701-3(c)(1)(i) provides that an eligible entity may elect to be classified other than as provided in § 301.7701-3(b), or to change its classification, by filing Form 8832 with the service center designated on Form 8832.

Section 301.7701-3(c)(1)(iii) provides that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on Form 8832 or on the date filed if no date is specified on the election form. The effective date specified on Form 8832 can not be more than 75 days prior to the date on which the election is filed and can not be more than 12 months after the date on which the election is filed.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time under the rules set forth in §§ 301.9100-2 and 301.9100-3 to make a regulatory election, or a statutory election (but no more than six months except in the case of a taxpayer who is abroad), under all subtitles of the Code, except subtitles E, G, H, and I. Section 301.9100-1(b) defines a regulatory election to include an election whose due date is prescribed by a regulation published in the Federal Register.

Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections. Section 301.9100-3 provides the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not meet the requirements of § 301.9100-2.

Section 301.9100-3(a) provides that requests for relief subject to § 301.9100-3 will be granted when the taxpayer provides the evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and the grant of relief will not prejudice the interests of the Government.

CONCLUSION

Based on the facts submitted and the representations made, we conclude that the requirements of §§ 301.9100-1 and 301.9100-3 have been satisfied. As a result, X is granted an extension of time of sixty (60) days from the date of this letter to elect to be classified as a disregarded entity for federal tax purposes effective Date2. The election should be made by filing Form 8832 with the appropriate service center. A copy of this letter should be attached to the election.
