LEGEND:

 \underline{X} = <u>Country</u> = <u>Date 1</u> = Dear

This letter responds to a letter dated August 13, 2009, and supplemental information submitted on behalf of \underline{X} , requesting an extension of time under § 301.9100-3 of the Procedure and Administration Regulations to be treated as a disregarded entity for federal tax purposes.

The information submitted states that \underline{X} was formed in <u>Country</u> on <u>Date 1</u> as an entity eligible to make a classification election. \underline{X} intended to be classified as a disregarded entity for federal tax purposes effective <u>Date 1</u>. However, a Form 8832, Entity Classification Election, for \underline{X} to elect to be treated as a disregarded entity effective <u>Date 1</u> was not timely filed.

Section 301.7701-3(a) provides that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an "eligible entity") can elect its classification for federal tax purposes. A "business entity" is any entity recognized for federal tax purposes that is not properly classified as a trust under § 301.7701-4 or otherwise subject to special treatment under the Internal Revenue Code.

Section 301.7701-3(b)(2)(i) provides that except as provided in § 301.7701-3(b)(3), unless the entity elects otherwise, a foreign eligible entity is: (A) A partnership if it has two or more members and at least one member does not have limited liability; or (B) An association if all members have limited liability; or (C) Disregarded as an entity separate from its owner if it has a single owner that does not have limited liability.

Section 301.7701-3(c)(1)(i) provides that to elect to be classified other than as provided in § 301.7701-3(b), an eligible entity must file Form 8832 with the designated service center. Section 301.7701-3(c) provides that an entity classification election must be filed on Form 8832 and can be effective up to seventy-five (75) days prior to the date the form is filed or up to twelve (12) months after the date on which the form is filed.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time to make a regulatory election, or a statutory election (but no more than 6 months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code except subtitles E, G, H, and I. Section 301.9100-1(b) defines the term "regulatory election" as an election whose due date is prescribed by a regulation published in the Federal Register or a revenue ruling, revenue procedure, notice, or announcement published in the Internal Revenue Bulletin.

Sections 301.9100-1 through 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make the election.

Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections.

Section 301.9100-3 provides the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not meet the requirements of § 301.9100-2. Under § 301.9100-3, a request for relief will be granted when the taxpayer provides evidence to establish to the satisfaction of the Commissioner that (1) the taxpayer acted reasonably and in good faith, and (2) granting relief will not prejudice the interests of the government.

Based solely on the information submitted and the representations made, we conclude that the requirements of § 301.9100-3 have been satisfied. As a result, <u>X</u> is granted an extension of time of 60 days from the date of this letter to file a Form 8832 with the appropriate service center and elect to be treated as a disregarded entity, effective <u>Date 1</u>. A copy of this letter should be attached to the Form 8832. A copy is enclosed for that purpose.

This ruling is contingent on the owner of \underline{X} filing within 60 days of this letter all required returns and amended income tax returns consistent with the requested relief

PLR-137734-09

being effective <u>Date 1</u>. These returns must include all required Forms 8858, Information Return of U.S. Persons With Respect to Disregarded Entities.

Except as specifically set forth above, no opinion is expressed concerning the federal tax consequences of the facts described above under any other provision of the Code. No inference is made as to the federal income tax consequences of making this election, including the determination of foreign taxes considered paid under § 1.901-2(f).

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) provides that it may not be used or cited as precedent.

Pursuant to a power of attorney on file with this office, a copy of this letter is being sent to <u>X's</u> authorized representative.

Sincerely,

<u>Curt G. Wilson</u> Curt G. Wilson Associate Chief Counsel (Passthroughs & Special Industries)
