Dear :

This letter responds to a letter dated July 8, 2013, and subsequent correspondence, submitted on behalf of X requesting an extension of time under § 301.9100-3 of the Procedure and Administration Regulations to file an election under § 301.7701-3(a) to be classified as an association for federal tax purposes.

FACTS

The information submitted discloses that X was formed on D1 as a limited liability company under the laws of State. X's sole owner is Y, an individual. X failed to file timely a Form 8832, Entity Classification Election, to be classified as an association for federal tax purposes, effective D2.

LAW AND ANALYSIS

Section 301.7701-3(a) provides, in part, that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an eligible entity) can elect its classification for federal tax purposes as provided in § 301.7701-3. An eligible entity with at least two members can elect to be classified as either an association (and thus a corporation under § 301.7701-2(b)(2)) or a partnership, and an eligible entity with a single owner can elect to be classified as an association or to be disregarded as an entity separate from its owner.

Section 301.7701-3(b)(1) provides that, except as provided in § 301.7701-3(b)(3), unless the entity elects otherwise, a domestic eligible entity is: (i) A partnership if it has two or more members; or (ii) Disregarded as an entity separate from its owner if it has a single owner.

Section 301.7701-3(c)(1)(i) provides, in part, that, except as provided in § 301.7701-3(c)(1)(iv) and (v), an eligible entity may elect to be classified other than as provided under § 301.7701-3(b), or to change its classification, by filing Form 8832, Entity Classification Election, with the service center designated on Form 8832.

Section 301.7701-3(c)(1)(iii) provides, in part, that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on Form 8832 or on the date filed if no such date is specified on the election form. The effective date specified on Form 8832 can not be more than 75 days prior to the date on which the election is filed and can not be more than 12 months after the date on which the election is filed.

Under § 301.9100-1(c), the Commissioner may grant a reasonable extension of time to make a regulatory election, or a statutory election (but no more than six months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code (Code) except subtitles E, G, H, and I. Section 301.9100-1(b) provides that the term “regulatory election” includes an election whose due date is prescribed by a regulation published in the Federal Register.

Sections 301.9100-1 through 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make an election. Section 301.9100-2 provides automatic extensions of time for making certain elections. Section 301.9100-3 provides extensions of time for regulatory elections that do not meet the requirements of § 301.9100-2.

Section 301.9100-3(a) provides that requests for relief under § 301.9100-3 will be granted when the taxpayer provides the evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and the grant of relief will not prejudice the interests of the Government.

CONCLUSION

Based on the facts and representations submitted, X has established that the requirements of §§ 301.9100-1 and 301.9100-3 are satisfied. Consequently, X is granted an extension of time of one hundred twenty (120) days from the date of this letter to elect under § 301.7701-3 to be treated as an association, effective D2. X must file Form 8832 within the extension period with the appropriate service center, with a copy of this letter attached. This ruling is contingent on X filing, within 120 days of the date of this letter, all required returns for all prior years consistent with the requested relief. A copy of this letter should be attached to such returns.

Except for the specific ruling above, we express or imply no opinion concerning the federal tax consequences of the facts of this case under any other provision of the Code. In addition, § 301.9100-1(a) provides that the granting of an extension of time for making an election is not a determination that the taxpayer is otherwise eligible to make the election.

This ruling is directed only to the taxpayer requesting it. According to § 6110(k)(3) of the Code, this ruling may not be used or cited as precedent.

Under a power of attorney on file with this office, we are sending a copy of this letter to X's authorized representative.

The ruling contained in this letter is based upon information and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party. While this office has not verified any of the material submitted in support of the ruling request, it is subject to verification on examination.

Sincerely,

Associate Chief Counsel
