During the interview it was found that the Organization does not have a place to conduct business. The Organization's response to a location, facilities or place to conduct business in the written interview was not answered. Upon further questioning, the POA said it was blank because there are no facilities or a place to conduct business for this Organization. Minutes recorded entries of membership, a "donation for the needy" without details; travel meetings for the commander, and a donation given to a charity in the amount of \$0. Similar entries were made to the Minutes upon inspection of years 20XX and 20XX. The written interview questions asked the Organization to state its primary activities to accomplish its exempt purpose. Its response was: "Giving scholarships; donations to disabled; donations to Boy Scouts." The Organization's minutes contained no discussion as to scholarships or donations to Boy Scouts. The Organization's records indicated that during the year 20XX there were no scholarships or donations to Boy Scouts.

It was noticed that no Bingo activities were discussed in any part of the Minutes. The Minutes did not show the location where the meetings were held either.

Gaming Activities

The Form 990 showed \$0 in gross receipts from Bingo and Pull-tabs. The Organization's sources of income came from Bingo and pull-tabs activities. The other source of income was coming from Investment Income in the amount of \$0. The () reports showed that the Organization made \$0 in gross receipts from Bingo and Pull-tab activities.

The POA was asked for the gross receipts discrepancy between the Form 990 and TLC reports of \$0, for the year 20XX. The POA said that it was an oversight on part and that he could fix that. He said he used net amounts instead of gross receipts. Further examination of records showed that he used net amounts for the Bingo as gross receipts, but did not use net amounts for the Pull-tabs. He used the Pull-tabs actual gross receipts.

LAW:

IRC Section 501(c)(19) provides for the exemption from Federal income tax of a post or organization of veterans of the United States Armed Forces if such post or organization is:

- (a) organized in the United States or any of its possessions,
- (b) at least 75 percent of the members of which are past or present members of the Armed Forces of the United States and substantially all of the other members of which are individuals who are cadets or are spouses, widows, or widowers of past or present members of the Armed Forces of the United States or of cadets, and
- (c) no part of the net earnings of which inures to the benefit of any private shareholder or individual.

Treasury Regulations section 1.501(c)(19)-1(a) In general: (1) states that for taxable years beginning after December 31, 1969 a veterans post or organization which is organized in the United States or any of its possessions may be exempt as an organization described in section 501(c)(19) if the requirements of paragraphs (b) and (c) of this section are met and if no part of its net earnings inures to the benefit of any private shareholder or individual. Paragraph (b) of this section contains the membership requirements such a post or organization must meet in order to qualify under section 501(c)(19). Paragraph (c) of this section outlines the purposes, at least one of which such a post or organization must have in order to so qualify.

Treasury Regulations section 1.501(c)(19)-1(c) states that in order to be described in section 501(c)(19) under paragraph (a)(1) of this section an organization must be operated exclusively for one or more of the following purposes:

- (1) promote the social welfare of the community, (2) to assist disabled and needy war veterans and members of the United States Armed Forces and their dependents, and the widows and orphans of deceased veterans, (3) to provide entertainment, care, and assistance to hospitalized veterans or members of the Armed Forces of the United States, (4) to carry on programs to perpetuate the memory of deceased veterans and members of the Armed Forces and to comfort their survivors, (5) to conduct programs for religious, charitable, scientific, literary, or educational purposes, (6) to sponsor or participate in activities of a patriotic nature, (7) to provide insurance benefits for their members or dependents of their members or both, (8) To provide social and recreational activities for their members.

Treasury Regulations section 1.501(c)(19)-1(b) sets out the membership requirements that must be met in order for an organization to be exempt under section 501(c)(19):

Form 886-A	EXPLANATION OF ITEMS	Schedule or Exhibit No. Page 8 of 10
Name of Taxpayer		Year Ended Dec. 31, 20XX, 20XX and 20XX

(1) . . . The first requirement is that at least 75 percent of the members of the organization must be war veterans. For purposes of this section the term 'war veterans' means persons, whether or not present members of the United States Armed Forces, who have served in the Armed Forces of the United States during a period of war (including the Korean and Vietnam conflicts).

(2) The second requirement of this paragraph is that at least 97.5 percent of all members of the organization must be described in one or more of the following categories:

(i) War veterans,

(ii) Present or former members of the United States Armed Forces,

(iii) Cadets (including only students in college or university ROTC programs or at Armed Services academies), or

(iv) Spouses, widows, or widowers of individuals referred to in paragraph (b)(2)(i), (ii) or (iii) of this section.

Internal Revenue Code Section 6001, Notice or Regulations Requiring Records, Statements, and Special returns provides that every person liable for any tax imposed by this title, or for the collection thereof, shall keep such records, render such statements, make such returns, and comply with such rules and regulations as the Secretary may from time to time prescribe. Whenever in the judgment of the Secretary it is necessary, he may require any person, by notice served upon such person or by regulations, to make such returns, render such statements, or keep such records, as the Secretary deems sufficient to show whether or not such person is liable for tax under this title.

Section 1.6001-1(c) of the Income Tax Regulations states - *Exempt organizations.* - In addition to such permanent books and records as are required by paragraph (a) of this section with respect to the tax imposed by section 511 on unrelated business income of certain exempt organizations, every organization exempt from tax under section 501(a) shall keep such permanent books of account or records, including inventories, as are sufficient to show specifically the items of gross income, receipts and disbursements. Such organizations shall also keep such books and records as are required to substantiate the information required by section 6033. See section 6033 and §§1.6033-1 through -3.

Internal Revenue Code Section 6033(a)(1) provides In general.--Except as provided in paragraph (2), every organization exempt from taxation under section 501(a) shall file an annual return, stating specifically the items of gross income, receipts, and disbursements, and such other information for the purpose of carrying out the internal revenue laws as the Secretary may by forms or regulations prescribe, and shall keep such records, render under oath such statements, make such other returns, and comply with such rules and regulations as the Secretary may from time to time prescribe.

Section 1.6033-1(h)(2) of the Income Tax Regulations provides, in part, that every organization which is exempt from tax shall submit such additional information as may be required by the Internal Revenue Service for the purposes of inquiring into its exempt status.

Section 1.6033-1(a)(2)(ii) of the Income Tax Regulations provides, in part, that "gross receipts" means the gross amount received by the organization during its annual accounting period from all sources without reduction for any costs or expenses including, for example, cost of goods or assets sold, cost of operations, or expenses of earning, raising, or collecting such amounts. Thus, "gross receipts" includes but is not limited to, (a) the gross amount received as contributions, gifts, grants, and similar amounts without reduction for the expenses of raising and collecting such amounts, (b) the gross amount received as dues or assessments from members or affiliated organizations without reduction for expenses attributable to the receipt of such amounts, (c) gross sales or receipts from business activities (including business activities unrelated to the purpose for which the organization received an exemption, the net income or loss from which may be required to be reported on Form 990-T), (d) the gross amount received from the sale of assets without reduction for cost or other basis and expenses of sale, and (e) the gross amount received as investment in come such as interest dividends, rents, and royalties. Pursuant to IRC Sec, 6033(a)(1) and Treas. Reg. Sec. 1.6033-2(a)(1), gross receipts must be reported on Form 990 without reduction for prizes or similar expenses. See Treas. Reg. Sec. 1.6033-2(g)(4) on the definition of "gross receipts."

GOVERNMENT'S POSITION

As a result of the examination of your organization's activities and Forms 990 and 990-T for the period ended **December 31, 20XX**, it was determined that your organization's primary activity was the operation of Bingo and pull-tabs. Substantially all of your income and expenses were the result of your Bingo and pull tabs activity. As a result, you are not organized and operated exclusively for 501(c)(19) purposes.

Veterans organizations, whether organized before or after the amendment of IRC 501(c)(19), must be operated for one or more of the eight purposes listed in Regs. 1.501(c)(19)-1(c). Accordingly, you have purposes of a substantial nature that are not listed in this section to retain IRC 501(c)(19) status.

We have determined that your organization no longer qualifies as an exempt Veterans Organization described in the Internal Revenue Code section 501(c)(19). Since your organization conducted gaming activities (Bingo and Pull-tabs) with the general public as your primary activity, your organization is not engaged in activities which further your exempt purpose. The majority of income received was from the general public.

It was determined that your organization does not maintain separate records of income from members and from non-members. As a result, the Service considers all of your income from gaming to derive from non-members. These activities give the appearance that the organization is conducting business with the general public as a for-profit business. The organization failed to meet the requirements for exemption under 501(c)(19).

Where goods or services are furnished to nonmembers who provide payment for such goods or services, their furnishing is outside the scope of Section 1.501(c)(19)-l(c) of the Regulations. Generally,

Form 886-A	EXPLANATION OF ITEMS	Schedule or Exhibit No. Page 10 of 10
Name of Taxpayer		Year Ended Dec. 31, 20XX, 20XX and 20XX

if an organization has not kept adequate books and records concerning its financial transactions with nonmembers and more than 50 percent of its gross receipts are derived from sales transactions (e.g. restaurant and bar sales, gaming, etc.), the presumption will be that the organization's exempt status should be revoked because it is not primarily engaged in Section 501(c)(19) activities.

An organization described in I.R.C. § 501(c)(19) carries out activities in furtherance of its exempt purposes only when such activities are carried out exclusively in furtherance of the purposes listed in Treas. Reg. § 1.501 (c)(19)-1(c). Among these purposes is the provision of social and recreational activities for its members. In the instant case, documents were not provided during the examination that demonstrates the existence of exempt activities. The Organization was also not able to provide records that demonstrated the amount of income for members, their families, guests, auxiliary members, nonveterans or from nonmembers. In reviewing the books and records for the Organization, the income and the exempt activities vs. non-exempt activities was not established.

Gambling provides recreation for many people. If the gambling is limited to members of the post and their guests (guests must not only be invited by a member, but must have all of their expenses paid by the member), it is an acceptable activity for a 501(c)(19) organization. If the gambling activity is open to the general public, such activity might jeopardize the organization's exempt status or result in the income being taxable as unrelated business income. On this instance, the Organization only activity is Bingo and Pull-Tabs and is open to the general public. Furthermore, the Organization did not have a system to track member and non-member participation.

Your organization had as its primary activity the operation of a trade or business, the gaming operation, which was not in furtherance of its exempt purpose. The use of the pull tab proceeds to offset the general expenses of the Post's social or recreational activities, or to reduce the members' dues, constitutes inurement. The organization's operation also served the private interests of its President and company.

For your information, in regards to the Membership Test, the sections of the Internal Revenue Code and underlying regulations relating to the membership requirements for veterans organizations as recited above are explicit in their definition of the permissible member percentages a veteran's organization may enroll and still maintain its exempt status. In determining whether or not a veteran's organization meets the legal requirements for continued recognition of exemption from Federal income tax, the Service has virtually no latitude when membership infractions occur. The legal requirements for recognition of exemption from Federal income tax for veterans' organizations are straight forward. Such organizations are subject to membership restrictions and must comply with these constraints in order to qualify for tax-exempt status.

Based on the above, we are proposing revocation of your exempt status under section 501(c)(19) of the Internal Revenue Code effective January 1, 20XX.

TAXPAYER'S POSITION

, POA/CPA, stated disagreement with Report of Findings.

CONCLUSIONS

It is been determined that the Organization's exemption should be revoked for all years beginning on or after January 1, 20XX.

Should this revocation be upheld, you are required to file Form 1120 for the years ending December 31, 20XX, 20XX, 20XX, and all future periods, whether or not you have taxable income.
