Subject: FW: Assistance Request: Security/Compliance Transition for [REDACTED] from [REDACTED]
to [REDACTED] - Response Requested by 10/5/2018

Per our conversation and the information you provided, we concur that [REDACTED] is an agency to which section 6103(l)(7) may authorize disclosure. We agree that a CMA should be drafted to serve as the necessary writing to permit disclosure to [REDACTED] before disclosing any information. The [REDACTED] must be able to keep information segregated according to program, which you indicated it does. We also suggest updating the CMA with [REDACTED] to accurately reflect that it no longer administers the [REDACTED] program, and confirming that [REDACTED] and [REDACTED] are the only two agencies with access to [REDACTED]. Finally, we suggest that the CMA template for DIFSLA programs be reviewed to contemplate other shared state database scenarios.

We hope this is helpful, but please let us know if you have any questions.
