**Subject:** RE: Westbrooks type case

The restitution in this case is assessable and is not subject to the *Westbrooks* limitations on assessment and collection. The judgment lists the restitution as a criminal monetary penalty as well as a condition of supervised release. Normally, where restitution is listed as a criminal monetary penalty, it is imposed as an independent part of the sentence. In addition, the plea agreement provides for the defendant to pay restitution.

Please call if you have any further questions on this matter.
