Dear

We are attempting to collect unpaid taxes from you. You should already be aware of this from our prior contacts with you. Generally, our practice is to deal directly with a taxpayer or a taxpayer's duly authorized representative. However, we sometimes talk with other persons, for example when we need information that the taxpayer has been unable to provide, or to verify information we have received.

We are writing to tell you that we may contact other persons. If we do contact other persons we will generally need to tell them limited information, such as your name. The law prohibits us from disclosing any more information than is necessary to obtain or verify the information we are seeking. Our need to contact other persons may continue as long as there is activity on this matter.

If you have any questions regarding this letter or wish to request a list of contacts, please do not hesitate to contact us at the telephone number listed above.

Sincerely,
