What's New

Small business taxpayers. For tax years beginning after December 31, 2023, if filing Form 1125-A for a small business taxpaver (defined later) that uses an alternative method of accounting for inventories, check the applicable box on line 9a(iv) through 9a(vi). See the instruction for line

General Instructions

Purpose of Form

Use Form 1125-A to calculate and deduct cost of goods sold for certain entities.

Who Must File

Filers of Form 1120, 1120-C, 1120-F. 1120S, or 1065 must complete and attach Form 1125-A if the applicable entity reports a deduction for cost of goods sold.

Inventories

Generally, inventories are required at the beginning and end of each tax year if the production, purchase, or sale of merchandise is an income-producing factor. See Regulations section 1.471-1. If inventories are required, you generally must use an accrual method of accounting for sales and purchases of inventory items.

Exception for small business taxpayers.

A small business taxpayer can account for inventories in the same manner as material and supplies that are non-incidental, or conform to its treatment of inventories in an applicable financial statement (as defined in section 451(b)(3)). If it does not have an applicable financial statement, it can use the method of accounting used in its books and records prepared in accordance with its accounting procedures. See section 471(c)(3).

A small business taxpayer is a taxpayer that (a) has average annual gross receipts of \$30 million or less (indexed for inflation) for the 3 prior tax years, and (b) is not a tax shelter (as defined in section 448(d)(3)). See Rev. Proc. 2023-34, 2023-48 I.R.B. 1287, or any successor.

For additional guidance on methods of accounting, see Pub. 538, Accounting Periods and Methods. For guidance on changing methods of accounting, see Form 3115, Application for Change in Accounting Method, and the Instructions for Form 3115.

Uniform capitalization rules. The uniform capitalization rules of section 263A generally require you to capitalize, or include in inventory, certain costs incurred in connection with the following.

- The production of real property and tangible personal property held in inventory or held for sale in the ordinary course of
- Real property or personal property (tangible and intangible) acquired for resale.
- The production of real property and tangible personal property for use in its trade or business or in an activity engaged in for profit.

A small business taxpayer (defined above) is not required to capitalize costs under section 263A. See section 263A(i).

See the discussion on section 263A uniform capitalization rules in the instructions for your tax return before completing Form 1125-A. Also see Regulations sections 1.263A-1 through 1.263A-3. See Regulations section 1.263A-4 for rules for property produced in a farming business and Pub. 225, Farmer's Tax Guide.

Form 8453-CORP (12-2022) Page **2**

Future Developments

For the latest information about developments related to Form 8453-CORP and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form8453CORP.

General Instructions

Instead of filing Form 8453-CORP, a corporate officer filing a corporation's return through an electronic return originator (ERO) can sign the return using a personal identification number (PIN). For details, see Form 8879-CORP, E-file Authorization for Corporations.

Purpose of Form

Use Form 8453-CORP to:

- Authenticate an electronic Form 1120, U.S. Corporation Income Tax Return; Form 1120-F, U.S. Income Tax Return of a Foreign Corporation; or Form 1120-S, U.S. Income Tax Return for an S Corporation;
- Authorize the ERO, if any, to transmit via a third-party transmitter;
- Authorize the intermediate service provider (ISP) to transmit via a third-party transmitter if you are filing online (not using an ERO); and
- Provide the corporation's consent to directly deposit any refund and/ or authorize an electronic funds withdrawal for payment of federal taxes owed.

Who Must File

If you are filing a Form 1120, 1120-F, or 1120-S through an ISP and/or transmitter and you are not using an ERO, you must file Form 8453-CORP with your electronically filed return. An ERO can use either Form 8453-CORP or Form 8879-CORP to obtain authorization to file the corporation's return.

When and Where To File

File Form 8453-CORP with the corporation's electronically filed income tax return. Use a scanner to create a Portable Document Format (PDF) file of the completed form. Your tax preparation software will allow you to transmit this PDF file with the return.

Specific Instructions

Name. Print or type the corporation's name in the space provided.

Employer identification number (FIN). Enter the corporation's FIN

Employer identification number (EIN). Enter the corporation's EIN in the space provided.

Part II. Declaration of Officer

Note: The corporate officer must check all applicable boxes.

If the corporation has tax due and the officer did not check box C, the corporation must make a timely payment using one of the methods described in the instructions for its tax return. For more information on depositing taxes, see the instructions for the corporation's tax return.

If the officer checks box C, the officer must ensure that the following information relating to the financial institution account is provided in the tax preparation software.

- Routing number.
- Account number.
- Type of account (checking or savings).
- Debit amount.
- Debit date (date the corporation wants the debit to occur).

An electronically transmitted return will not be considered complete, and therefore filed, unless either:

- Form 8453-CORP is signed by a corporate officer, scanned into a PDF file, and transmitted with the return; or
- The return is filed through an ERO and Form 8879-CORP is used to select a PIN that is used to electronically sign the return.

The officer's signature allows the IRS to disclose to the ERO, transmitter, and/or ISP:

- An acknowledgement that the IRS has accepted the corporation's electronically filed return, and
- The reason(s) for any delay in processing the return or refund.

The declaration of officer must be signed and dated by:

- The president, vice president, treasurer, assistant treasurer, or chief accounting officer; or
- Any other corporate officer (such as tax officer) authorized to sign the corporation's income tax return.

If the ERO makes changes to the electronic return after Form 8453-CORP has been signed by the officer, whether it was before it was transmitted or if the return was rejected after transmission, the ERO must have the officer complete and sign a corrected Form 8453-CORP if either:

- Total income differs from the amount on the electronic return by more than \$150, or
- Taxable income differs from the amount on the electronic return by more than \$100.

Part III. Declaration of Electronic Return Originator (ERO) and Paid Preparer

Note: If the return is filed online through an ISP and/or transmitter (not using an ERO), do not complete Part III.

If the corporation's return is filed through an ERO, the IRS requires the ERO's signature. A paid preparer, if any, must sign Form 8453-CORP in the space for Paid Preparer Use Only. But if the paid preparer is also the ERO, do not complete the paid preparer section. Instead, check the box labeled "Check if also paid preparer."

Use of PTIN

Paid preparers. Anyone who is paid to prepare the corporation's return must enter their PTIN in Part III. For information on applying for and receiving a PTIN, see Form W-12, IRS Paid Preparer Tax Identification Number (PTIN) Application and Renewal, or go to *www.irs.gov/PTIN*.

EROs who are not paid preparers. Only EROs who are not also the paid preparer of the return have the option to enter their PTIN or their social security number in the "ERO's Use Only" section of Part III. For information on applying for and receiving a PTIN, see Form W-12 or go to www.irs.gov/PTIN.

Refunds

After the IRS has accepted the return, the refund should be issued within 3 weeks. However, some refunds may be delayed because of compliance reviews to ensure that returns are accurate.
